

# Key Industries

## Contract Packaging and Assembly Service

### We Offer a “World of Possibilities”

- Exceptional Customer Support
- Quality Service
- Rapid Turn-Around
- Competitive Pricing

Key Industries serves individuals with disabilities. Customers benefit from our superior output and service while contributing to the well-being of our local community.

Our workshop employs over 150 individuals and professional staff members ready to complete your assembly work.

Plus, we have 10,000 square feet of work area and a secondary warehouse to securely store your items until ready for pick-up or delivery.

- ✓ *Assembly*
- ✓ *Shrink Wrapping*
- ✓ *Machine Packaging*
- ✓ *Quality Control*
- ✓ *Computerized Inventory System*

*"The quality, flexibility, and responsiveness to deadlines has made Key Industries our top choice for contract packaging. Due to their ability to complete large quantities of work with little or no lead time, our partnership has been invaluable."*

*- Ms. Chris Dinan, New Product Development Manager, Zotos International, Inc., Geneva, NY*
