

Program Goals

Meet New Friends!

To provide a rich and varied learning environment in which each child can experience success.

To prepare each child to enter and succeed in the least restrictive environment within his/her home school district.

To work together as a team to plan effective educational and therapeutic programs.

To develop positive self-concepts and self-reliance and independence within each child's ability.

To develop a foundation of positive attitudes in all children towards each other, giving each the best opportunity to learn from one another.
